Outreach System — Pipeline & Tools

Oct 22, 2026 · @Shekin

60 restaurant leads scraped from Google Maps are down to 46 qualified and tracked, with a working WhatsApp ordering bot built and demoed — cold outreach (calls, WhatsApp) hasn't started yet.

Pipeline: tools end to end

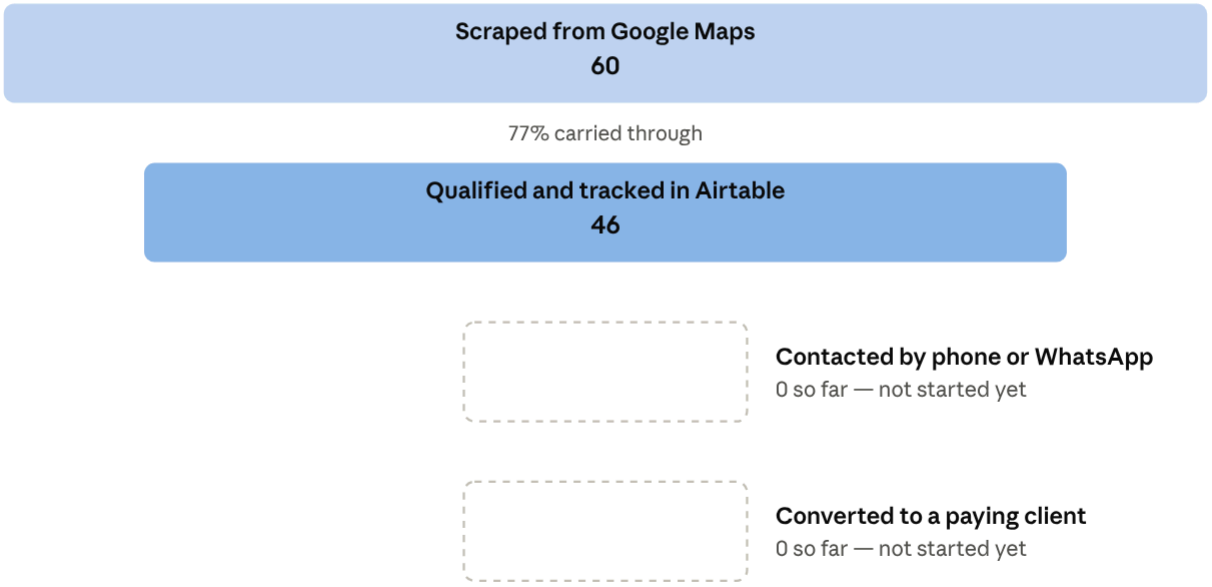

9-stage pipeline · product build through signed client

Six stages are built and already used; outreach (calls, WhatsApp, and converting an interested lead) hasn't started.

Lead funnel so far

60 scraped leads are now 46 qualified; outreach has not started

lead funnel · scraped 2026-10-22, Tamil Nadu restaurants

77% of scraped leads had a usable phone number and are now tracked in Airtable; the next two stages haven't been worked yet.
